12. (Internal Use Only - CM) BRIEFING I accompanied

[REDACTED]
NFAC/CSS, to a briefing of Representative Stephen Solarz (D., N. Y.) on Yugoslavia. The briefing went very well. I telephoned the answer to one outstanding request on a publication concerning Yugoslavia after the briefing session.

14. (Internal Use Only - CM) LIAISON Hans Binnendijk, of the staff of the Senate Foreign Relations Foreign Assistance Subcommittee, called with a final question concerning his draft paper on Korea. He said he wanted to look at the regional balance of U.S. and Soviet military forces in Asia for comparative purposes. I urged him to try the Defense Department to get these figures, noting the Agency does not do net assessments. He said he would check with the Department of Defense.

16. (Internal Use Only - CM) BRIEFING I called Marvin Feuerwerger, in the office of Representative Christopher Dodd (D., Conn.), and changed our appointment to brief him on the political aspects of European and Soviet debate on the U.S. nuclear warhead to 2 November, at 2:00 p.m. Feuerwerger asked again about an OPR publication, which I said again I would bring with us if that were possible given Feuerwerger's interim Secret clearance.
